Mr. John Gibson  
Assistant Staff Director  
Federal Election Commission  
999 E Street, NW  
Washington, DC 20463

Dear Mr. Gibson:

Enclosed with this letter is an amendment to the 12-day Pre-runoff Report of Receipts and Disbursements for the Faleomavaega for Congress Committee for the runoff election held on November 19, 1996 in the Territory of American Samoa. The report covers the period October 17-30, 1996. This amendment is being filed in response to a FEC letter dated February 14, 1997.

The FEC letter indicated that the 12-day Pre-runoff report did not contain a Schedule C-1 signed by the appropriate lending institution or a copy of the loan agreement for a loan reported in the above report. Copies of those documents are attached to this letter.

Also attached to this letter is a copy of the front of the envelope which contained the FEC's February 14th letter. Please note that the envelope bears two postmarks: one dated February 14, 1997 at Washington, D.C., and one dated March 10, 1997 at Southern Maryland, MSC. The delay in responding to the FEC's February 14th letter is in part due to the late postal delivery to the Committee. This envelope also contained a second FEC letter dated February 14, 1997, concerning contributions from the National Unity Caucus Tecumseh Club reported in the 30-day Post-general election report. Every effort is being made to respond to this letter as well.

Sincerely,

  
Martin R. Yerich  
Assistant Treasurer
